mentg that it is not possible to spare the services of the Archl. Dept to the Archy Dept of the Govt of India under the latter's request on account of the acute shortage of trained officers in the Archy Dept.

1) Submitted with previous references.

2) On a similar suggestion made by the Rev. Commr. in his letter dated 18.4.55, the Director General of Archaeology in India was addressed and requested whether the G.O.I are agreeable to meet the cost of pers deputed to work under the Govt of the Archy Dept, so that substitutes may be appointed (vide letter no 1174 dt 3.6.55) "A" "B"

3) Subsequently, as the Director General of Archaeology intimated that all the State Govts had agreed to provide assistance without asking for any charges on this account & to appoint extra Taluk pers for the purpose and requested to reconsider the matter, the question was re-examined (vide notes 14 to 25 of the Collection Archy 6-55-3 placed below) and it was decided that the services of pers may be placed at the disposal of the Archy Dept, G.O.I without recovering any charges. Sir,

Arche. 1-56-1

Subject: Assistance to the Staff of the Archaeological Department of the Government of India.

Refce: Your letter No. C & D.4138-4147/ Arch. 6-55-3 dated 21-10-1955.

Adverting to the above letter addressed to the Deputy Commissioners of Districts and copied to this Office and to the Director of Archaeology, I write to state that, -- owing to considerable reduction of the menial establishment as a measure of retrenchment the number of menials working in the Department, is hardly sufficient to the -- normal work of the Department. Besides, the Department is entrusted with additional items of work, such as Census of Land Holdings, Tenance cases etc. Further this is a very busy season for the Department as Jamabandy Work has commenced and has to be completed before the commencement of the collection season. It is therefore not possible to spare the services of peons of this Department to the Archaeological Department of the Government of India unless the Government of India agree to meet the cost of the peons deputed to work under the Officers of the Archaeological Department, so that substitutes may be appointed in place of those deputed. The Deputy Commissioners of Districts have been requested to await further instructions of Government in the matter.

Yours faithfully,

Bangalore, Dated, 28th February'56.

To

The Secretary to the Government of Mysore,

Bangalore.

Sir,

Subject: Assistance to the Staff of the Archaeology Department of the Government of India.

Reference: Your letter No.C.&.D.5501 dated 19-12-55.

I write to state that this office has not maintained details of menials ~~xxxxx~~ lent to departments of the Government of India and as such the information required is not readily available. Kind reference is invited to Government Order No.C&D 4882-85/Geo.38-55-5 dated 25/28-11-55 directing that the pay and allowances of men lent to the Departments of Government of India such as the Department of Atomic Energy etc., may be recovered from the Department concerned. Further it is not possible to spare the services of a peon of this Department, off hand without notice, whenever such a demand is made by the Archaeological Department. The Revenue Department is a very busy Department and the menials sanctioned are not enough for the normal activities of the Department, since a portion of the menial staff was retrenched some years back as a measure of economy. It is now the collection season and the service of menials are more urgent and indispensable to the Department than during any other season. It is therefore regretted that no menials can be spared whenever it is required by the Archaeological Department of the Government of India or of any other Department.

Yours faithfully,
